Roll Call. Yes 3. Nays:0

x Mike McNair: Community Education and Workforce Development

Discussed(see attachment #3h)istory of Community Colleges, DOD Employer Skills Survey; microcredentials, badging, contact hours, staffing, equipment, Ed2go classes for school district; Ed2go, F2F and online classes, Inspired by Science on campus this summer, possibly using Black Rocket and Fast Forward Kids shimmer; shifted compensaer,

Norbert Remke commente in structions available to attend BOT meeting virtually, website operational, issues with board policy anual operating agreement/School Board and of Trustees governor consistency/assessment handbook plus other confinsion on website financial information should be mapeblic, finances and selective transparency comment on "good question."

Dr. Chappa stated he was offended with comments made by Mikair, stated it was racism and while Attorney Martin tried to clear up college's position, he was very offended, BOT should have taken action to stop commetes T should clear up SENMC's policy. Amy Dewey: Discussed Workforce, prior learning credits.

Dr. Nwanne happy for Attorney Lane's clarification of policy, willend out an email to the college tomorrow apologizing for stements not college policy.

x Frequency of board meetings

Suggested Action Item be on agenda for June 20 meeting regarding for policy and meetings. BOT majority would like to meet once a month beginning July 18th. Attorney Martin – need amendment to BOT policy to adopt rings bnce a month. Current policycludes ability to skip meetings twice a year, Attorney Martin and Dr. Næatonmeet to discuss policy.

x Board Comments

Secretary Frintz – comments included on Workforce presentation, appreciative of College & Community Committeedirection, welcome to Amy Dewey, thanks for public comments.

Mark Cage –commented that the meetingenat off the railsupseton how meeting went Chair Elkins – commented on it being a good meeting, appreciated the broader view, sorry about the cloud, not condon/nepresentingliscrimination/biases.
